L.I.F.E. Group Information

L.I.F.E. Groups will begin on February 21st and go through May 2nd. We will not meet on Easter Sunday for L.I.F.E. Groups. As you can see, we are offering several different options this semester. I would encourage you to pray through which study would be most beneficial to you at this point in time in your life. We will begin having sign-up sheets in the foyer on Sunday, January 31st and February 7th. Some studies will only cover half of the time frame allotted for L.I.F.E. Groups. Your group will then have an opportunity to select another study to complete the semester. An explanation of each study and time frame is available in this information. We have experienced some people developing great relationships through our L.I.F.E. groups so far. I expect we will continue to see more relationships develop through our time in L.I.F.E. groups. If you have not yet been involved in a group, I would encourage you to get involved. We have studies for all ages and groups that you can choose from. If you have any questions, please feel free to contact me either by phone (577-1954/919-7360) or email (ken55@bellsouth.net).

In His Service,

Ken

Go Fish

Fishing Stories; we've all heard them. "It was this big." "You should have seen the one that got away." People love to tell stories of their fishing adventures. When it comes to faith, however, most people clam up. Why is it we can't talk about what God has done in our lives as naturally as we can spin fishing tales? Andy Stanley explores the motivation behind sharing your faith and how it can become a natural part of your life.
